## HELP US BRIDGE THE GAP

...and represent your town, region, or country on our new bridge.

Kaslo is a quaint village of approximately 1000 residents located on the shores of Kootenay Lake nestled between the Purcell and Selkirk Mountains in south-eastern British Columbia, Canada.

The Kaslo River Trail and Kaslo Trailblazers Bridge were built as a labour of love with mostly local donations of money, time and materials. Many people sponsored plaques displayed on the bridge and engraved with something meaningful to them - their name, those of their loved ones, memorials, celebrations, even quotes.

The Trailblazers are now building a new pedestrian suspension bridge to close the Kaslo River Trail loop. We've raised \$36,000 but we need \$200,000. This is the last phase for which major financing is required.

This time we want this to be a real UNITY bridge with plaques from all over the world. So far we have sponsors from several Canadian provinces, U.S. states, and England.

Plaques are \$150. They are 4" x 1.5" and engraved with your message, up to 4 lines, 70 to 80 characters. We request your permission to also engrave your town, region, and/or country on the plaque as part of your message.

All donations are gratefully accepted. You can help out by donating online at Canada Helps ([www.canadahelps.org](http://www.canadahelps.org)), leaving a donation at the Kaslo Tourist Information Centre at the S.S. Moyie, or please forward your cheque or money order (CDN\$) to:

Kaslo Trailblazers Society  
Box 1030  
Kaslo BC V0G 1M0  
Canada

If you are sponsoring a plaque for \$150 or more, include your message and indicate if you would like a Canadian tax receipt.

Please help us further by passing this on to out-of-town, out-of-province, and out-of-country friends, family and business associates.
